## Fake News... Can You Handle the TRUTH?

*Fake News ... Can You Handle the Truth?*

This was a six day undertaking for me. What I once could do in a matter of hours now takes me days. What is more, I simply no longer have the 'fire in my belly' to compete in the political world. From the distance of an easy chair it all seems pedantic to me. Obama gets elected and the nation will come to an end,

but the left and press didn't believe. Yet when Trump gets elected both left and right as well as the press believe, and their only remedy: impeach him... for anything. It was easier when they all just 'blamed Bush'.

I only hope you enjoy my effort because it seems like forever that I have had the energy to sit at this desk and write an article longer than a page. But I felt led to accomplish this especially on this holiday weekend. For on this date we honor the war dead, for allowing us to even have an opinion.

Well, what has led me to write this weekend? For weeks I have been studying the concepts dubbed "Fake News". I keep asking myself, what if that news is not 'fake', but TRUTH? So as my energy holds out, let's research three fake news stories. And on this hallowed weekend let us dare examine the data before we roll over and show our national jugular to the leftist press.

I will attempt to explore three aspects of the Fake News and then roll it up into a possible Biblical Apocalyptic Happening. Wow, that is quite an undertaking, I hope it holds your attention and please note there is more evidence, than editorial:

## **Fake News #1 The Seth Rich Murder**

*Who was Seth Rich?*

*He was a Democratic Operative murdered last summer under very strange circumstances (see below). Virtually all WikiLeaks sources claim he was the leak of all of the emails from the DNC. But the press and Democrats refuse to believe the overwhelming evidence of that fact. Moreover, the FBI refuses to investigate. Why? Because if Seth Rich is the leak, then the Russia/Donald Trump theory is disproven. Simply put, both cannot exist. So let's explore the evidence:*

*Those leaked emails revealed, among other things, that the DNC tried to tip the scales in favor of Hillary Clinton's campaign and prevent Democratic candidate Bernie Sanders from becoming the party's nominee. The leaks were cited by some Democrats as one explanation for Clinton's election loss. Many accused the Russians of "hacking" and turning the tide for then-GOP candidate Donald Trump during the 2016 election.*

*In one email released by WikiLeaks, Clinton campaign Chairman John Podesta said he'd like to "make an example" out of the person who leaked the emails.*

*"I'm definitely for making an example of a suspected leaker whether or not we have any real basis for it," Podesta wrote on Feb. 22, 2015, according to WikiLeaks. ... <http://www.wnd.com/2017/05/chilling-similarities-between-seth-rich-murder-and-clinton-body-count-victims/#s6fS6sSHUejXY0sx.99>*

Furthermore:

*"My investigation up to this point shows there was some degree of email exchange between Seth Rich and WikiLeaks," Wheeler told Fox News. "I do believe that the answers to who murdered Seth Rich sits on his computer on a shelf at the DC police or FBI headquarters."*

*"My investigation shows someone within the D.C. government, Democratic National Committee or Clinton team is blocking the murder investigation from going forward," Wheeler told Fox News. "That is unfortunate. Seth Rich's murder is unsolved as a result of that."*

*The botched robbery theory, which police have pursued for nearly a year, isn't panning out, Wheeler said. Two assailants caught on a grainy video tape from a camera posted outside a grocery mart, shot Rich twice in his back, but did not take his wallet, cell phone, keys, watch or necklace worth about \$2,000.*

*As you'll recall, Rich's death has been shrouded in mystery from the start as he was reportedly shot from behind in the wee hours of the morning but was not robbed of the nearly \$2,000 worth of cash and jewelry on his body at the time.*

Image result for seth rich political cartoon

*Rich had been at Lou's City Bar a couple of miles from his home until about 1:15 a.m. He walked home, calling several people along the way. He called his father, Joel Rich, who he missed because he had gone to sleep. He talked with a fraternity brother and his girlfriend, Kelsey Mulka.*

*Around 4:17 a.m., Rich was about a block from his home when Mulka, still on the phone with him, heard voices in the background. Rich reassured her that he was steps away from being at his front door and hung up.*

*Two minutes later, Rich was shot twice. Police were on the scene within three minutes. Rich sustained bruising on his hands and face. He remained conscious, but died at a nearby hospital less than two hours later.*

*Shortly thereafter, Julian Assange implied that Seth Rich was, in fact, a source for WikiLeaks and offered a \$130,000 reward for information leading to his killer. ...*

## **Eyewitness Evidence**

Both co-conspirators and medical personnel treating Rich that morning have appeared on several media sources claiming that the wounds were not fatal and that government personnel prevented proper medical treatment to this dying man.

*Last weekend, two more voices spoke up claiming insider knowledge. Kim Dotcom, a friend of Assange and founder of Megaupload, said he was involved with Rich transferring the emails to Wikileaks. He issued a statement today describing his contact with Rich. He said Rich contacted him using the pseudonym "Panda" (Rich loved pandas).*

*Rich reportedly said he wanted to start a branch of Dotcom's New Zealand Internet Party in the U.S. He was tired of "corruption and the influence of corporate money in politics." Dotcom references an interview he gave Bloomberg in May 2015. In it, he hinted that Wikileaks would be releasing information about Hillary Clinton and the election.*

*But he left it at that. He said Rich's family has asked him to be sensitive to their loss in his public comments. He says he is fully willing to provide full details to U.S. law enforcement and Congress.*

*The amateur sleuths on the bulletin boards have put together many revealing pieces of information related to the DNC emails and Rich's murder. The police report showed that at least three of the responding officers wore body cameras. Where is that footage?*

*Rich was alive when they appeared on the scene. The EMTs who treated him told Rich's parents later that they were surprised he did not live. Rich acted confused however, because when he was asked where he lived, he gave a previous address. Someone claiming to be a doctor who treated Rich after he was taken to the hospital posted an anonymous comment on Reddit. The commenter asserted that Rich's condition was stable at the hospital. But then medical staff was told not to attend to him. ... <https://stream.org/evidence-piling-up-that-seth-rich-leaked-dnc-emails-to-wikileaks/>*

### **Why Won't Anybody Investigate?**

*Some big names in media and politics are demanding to know: Why won't anyone thoroughly investigate the mysterious murder of Democratic National Committee staffer Seth Rich and its possible connection to DNC emails leaked to WikiLeaks during the 2016 presidential campaign?*

*"He's been killed, and apparently nothing serious has been done to investigate his murder," said former U.S. House Speaker Newt Gingrich, calling the murder case a "very strange story" and linking it to DNC emails released to WikiLeaks.*

*Other pundits chimed in, including talk-radio hosts Rush Limbaugh, Laura Ingraham and Herman Cain, as well as activist and blogger Pamela Geller and Fox Business Network anchor Lou Dobbs.*

**'Complete panic' at highest levels of  
DNC over internet hacker Kim  
Dotcom's claims murdered  
Democratic aide Seth Rich WAS the  
source of Wikileaks**

*Meanwhile, Fox News issued a bombshell retraction Tuesday, disavowing a story it posted on May 16 about the Rich murder case that set off a flurry of other reports by conservative news sites. Fox stated in its retraction:*

*Read more at <http://www.wnd.com/2017/05/big-list-of-people-who-smell-a-rat-in-seth-rich-case/#xyMPgqy6v5q054Zf.99>*

***Finally a Congressman is asking for a Federal Investigation:***

*In an appearance on CNN Wednesday, Texas Republican Congressman Blake Farenthold suggested that rumors circulating online that murdered DNC staffer Seth Rich could have been the source of DNC emails obtained by Wikileaks could merit investigation.*

*“My fear is our constant focusing on the Russians is deflecting away for some other things that we need to be investigating,” Farenthold said. “There’s still some question as to whether the intrusion of the DNC server was an insider job or whether or not it was the Russians.” ... [http://www.realclearpolitics.com/video/2017/05/25/rep\\_blake\\_farenthold\\_rtx\\_suggests\\_seth\\_rich\\_killing\\_deserves\\_federal\\_investigation.html](http://www.realclearpolitics.com/video/2017/05/25/rep_blake_farenthold_rtx_suggests_seth_rich_killing_deserves_federal_investigation.html)*

So the bottom line is this: the unsolved murder of Seth Rich may have been an assassination of the ‘leaker’ to Wiki leaks. If this is true then the Democrat accusation of a Russia/Trump connection, an accusation without any evidence, will be a moot point. Yet understand all of the forensic evidence of the murder of Seth Rich is presently is being ignored and filed under ‘fake news’ by the media and politicians. You decide... as for me I think logic demands this is a cover up, but hey not much sand left in my hourglass so what do I have to loose?

## ***Fake News #2***

### ***Uranium/Clinton/Russia & Pedo-gate (Pizza-gate in USA):***

Combine the leaks of the Podesta brothers e-mail disclosures (Uranium to Russia and Pizza gate) with the disappearance of children from orphanages including those administrated by the Clinton Foundation in Haiti, and if true we have perhaps the most diabolical occurrence in our times:

John Podesta is a long time Clinton operative and was the Campaign Chairman of the Hillary Clinton Presidential Campaign.

***Now I ask you, if this deal was made with Russia, and the evidence is overwhelming that it was, doesn't it make more sense that the Clinton Foundation made a special 'deal' with Russia? Is it not logical that it was: Russia/Clinton not Russia/Trump?***

***Uranium for Russia***

In April 2015 the New York Times published a story about a company called “Uranium One” which was sold to Russian government-controlled interests, giving Russia effective control of one-fifth of all uranium production capacity in the United States. Since uranium is considered a strategic asset, with implications for the production of nuclear weapons, the deal had to be approved by a committee composed of representatives from a number of US government agencies. Among the agencies that eventually signed off the deal was the State Department, then headed by Secretary Clinton. The Committee on Foreign Investment in the United States (CFIUS) comprises, among others, the secretaries of the Treasury, Defense, Homeland Security, Commerce and Energy.

As Russian interests gradually took control of Uranium One millions of dollars were donated to the Clinton Foundation between 2009 and 2013 from individuals directly connected to the deal including the Chairman of Uranium One, Ian Telfer. Although Mrs Clinton had an agreement with the Obama White House to publicly identify all donors to the Clinton Foundation, the contributions from the Chairman of Uranium One were not publicly disclosed by the Clintons ... <https://wikileaks.org/podesta-emails/press-release>

*Contrary to reports in the media, the crowd sourced investigation labeled by some as “Pizzagate” did not begin with internet sleuths digging through the Wikileaks Podesta Files releases looking for pizza parlors and encoded language discussing human trafficking. It began with the shocking discovery that Hillary and Bill Clinton provided assistance to convicted child trafficker, Laura Silsby, resulting in a reduced sentence for child trafficking.*

*Silsby was arrested at the Haitian border attempting to smuggle 33 children out of Haiti without documentation. Her sentence and charges were reduced after an intervention by Bill Clinton. In the aftermath of Silsby’s arrest, her originally retained lawyer Jorge Puello was arrested in connection with an international smuggling ring accused of trafficking women and minors from Central America and Haiti. The revelation of this news in November was either ignored by the Western media or attacked by Clinton controlled publications....*

*Image result for podesta political cartoon*

Hillary and Bill Clinton took an extraordinary interest in Silsby's case from the moment she was arrested and almost immediately stepped in on her behalf. The Harvard Human Rights Journal stated that one of Bill Clinton's first acts as special envoy for the United Nations in Haiti "was to put out the fire of a child abduction scandal involving American citizens." On February 7th, 2010, The Sunday Times reported that Bill Clinton had intervened to strike a deal with the Haitian government, securing the release of all co-conspirators except for Silsby. Prosecutors ultimately sought a six-month sentence in Silsby's case, reducing charges for conspiracy and child abduction to mere "arranging irregular travel." A shockingly light penalty given the circumstances of her arrest, which would likely not have been possible but for the intervention of the Clintons in Silsby's case. ...

On February 11th, the New York Times reported that Silsby's original lawyer, Jorge Puello, was suspected of leading an international human trafficking ring involving women and minors. According to the Harvard Human Rights Journal Puello was ultimately arrested in an investigation being lead by U.S. Immigration and Customs Enforcement (ICE) and Homeland Security Investigations (HSI) in connection with the ring. He was wanted in the United States, El Salvador and Costa Rica for his involvement with a network trafficking Central Americans and Haitians.

On November 4th, 2016 The Daily Beast wrote a non-factual and intentionally misleading article covering the Clinton-Silsby scandal. They accused Wikileaks of publicizing a "Reddit conspiracy theory" which was "riddled with incorrect information." The author, Ben Collins neglected to do basic research on the totality of the links presented in the post as evidence. Mr. Collins attacked the policies of r/the\_donald towards freedom of speech and accused the forum of being racist without citing extensive or definitive proof. At no point .did The Daily Beast provide proof that the allegations were not true, and did not disprove any of the evidence submitted. ... <http://www.zero-hedge.com/news/2017-01-25/clinton-silsby-trafficking-scandal-and-how-media-attempted-ignorecover-it>

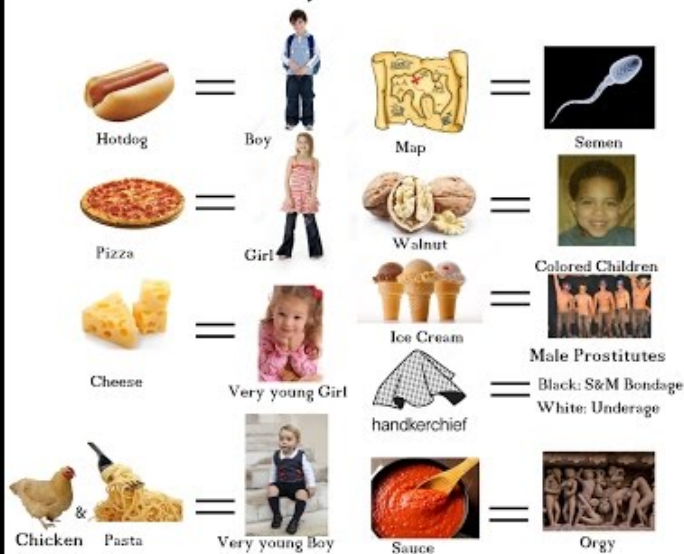

***I wish I could say that this is all we have on this subject. It is such a monstrous story that I can scarce read, let alone write. But I hope you stay with me on this extremely difficult issue:***

### ***Satanic Rituals and Child Sacrifice***

... In the Pizzagate investigations, allegations of Satanic rituals, particularly where John Podesta and his brother, Tony are concerned. Also the art work displayed at Ping Pong Pizza is anything but wholesome. For something to be Satanic, does not necessarily require people in hooded robes burning black candles and chanting esoteric incantations. If someone, or anyone, is killing children and eating them, or drinking their blood...it's Satanic. God does not condone such behavior. Behavior is either good or bad. If it is good, it's of God. If bad, it's from Satan...It IS that simple.

# Pedophile Codes

... They are deliberately doing evil with the intention of extending their own longevity. Consuming the flesh or blood of children will, in their warped reality, keep them younger longer. ...  
<https://steemit.com/pizzagate/@richq11/pizzagate-and-child-sacrifice>

## What is “spirit cooking”?

Spirit cooking refers to “a sacrament in the religion of Thelema which was founded by Aleister Crowley” and involves an occult performance during which menstrual blood, breast milk, urine and sperm are used to create a “painting”....

Some are even linking the spirit cooking revelation to claims that the Podesta emails contain “code for child sex trafficking” that is hidden behind mentions of types of food.

*above photos of Podesta and Thelema*

*Others are connecting it to Laura Silsby, the missionary who was jailed for six months after her organization, New Life Children's Refuge, attempted to smuggle 33 children out of Haiti into the Dominican Republic after the 2010 Haiti earthquake (see above).*

*Wikileaks emails reveal that Hillary's top aide Huma Abedin forwarded numerous articles about New Life Children's Refuge to Clinton. ... <https://www.infowars.com/spirit-cooking-clinton-campaign-chairman-invited-to-bizarre-satanic-performance/>*

**Moreover:**

*In October 2016, with the contest for U.S. president heating up for the November 8 vote, thousands of emails damaging to the Clinton campaign were released on Wikileaks. Shocking evidence of political corruption involving the Clinton Foundation, the Clinton Campaign, and the campaign's manager, John Podesta (among many other parties), emerged. An unprecedented collusion between the corporate media and the Clinton campaign was revealed, **with proof that presidential debate questions were shared in advance with Clinton, that Clinton had editorial control of many of the "news" articles published***

**by the corporate media, and that \$100's of millions were donated to Clinton by the Saudi government and other foreign entities, presenting a clear violation of US election law. The media bias in support of Clinton and against any of her rivals was unprecedented.**

**Never once have Wikileaks releases been proven to be fake. These emails are forensically linked with the personal computers and devices of the parties in question. No one has denied the validity of the emails.** As researchers began to review the material, in addition to evidence of bribery (“pay to play”) and collusion, they found hundreds of disturbing emails that used what was obviously coded language. “Pizza,” “hot dogs,” “handkerchiefs,” and “sauce,” among other words, were used in ways that were at obvious odds with normal usage. What was President Obama doing ordering \$65,000 of hot dogs to be flown in from Chicago? What was John Podesta doing misplacing a handkerchief with a pizza-related map on it? What was a Department of Justice child trafficking employee doing requesting some Haitian pizza with extra cheese? Why was John Podesta excitedly anticipating enjoying the pleasures of sharing a hot tub with the daughters of an associate, ages 7, 9, and 11?...

Lastly, as to why the likely perpetrators would behave so brazenly, you need to understand something about occultism. **The power of occult practices is believed to lie in its being hidden in plain sight.** The public lives with their “eyes wide shut,”

meaning they see things, but they are not really seeing them for what they truly are. The symbols and language employed in occultism have primary and secondary meanings. The secondary meanings are known only to a special group of people or initiates. **To the naive public – the uninitiated – something might appear to be an innocuous word, or a common symbol. But for practitioners of the occult, the symbols and language mean something entirely different.**

The “joke” is on us because the occultists appear to be speaking plainly right in front of our eyes, but we actually have no idea what the actual import or meaning of what they say is. If the elite were to be absolutely secret about what they were doing, then their practices, they believe, would be impotent. Relying on the pure physical force of coercion is used only as a last resort. **It is much better, in their view, to cast a spell and have their victims sleepwalk into their own enslavement. Our innocence – our ignorance – is taken as weakness and stupidity that grant consent to the abuse.** And in that lies the occultists’ justification for their evil deeds: “We told you and showed you what we were going to do, and yet you did nothing.” In this twisted Machievellian mindset, our defenselessness and lack of mounting effective resistance is excuse enough to have us killed. **We are weak, so we deserve to die. There is no natural law, no morality to which the elites are subject ...**

## Podesta Brothers and Madeleine McCann

**Madeleine Beth McCann** (born 12 May 2003) disappeared on the evening of 3 May 2007 from her bed in a holiday apartment in Praia da Luz, a resort in the Algarve region of Portugal, sparking what one newspaper called “the most heavily reported missing-person case in modern history.” Her whereabouts remain unknown. ...

... In a recent video by SGT Report, and thanks to Victurus Libertas, some groundbreaking information has just come to light that specifically implicates John Podesta, Clinton's former campaign chair, and his brother Tony. Police sketches of two suspects believed to be involved in the disappearance of Madeleine McCann, that took place in Portugal on May 3rd, 2007, have made their way around the Internet recently, and they depict what appears to be a drawing of the Podesta brothers, but at the time, could not be further substantiated... until now.

... One of our FBI insiders can confirmed the Intelligence community indicates John and Tony Podesta were in Praia da Luz, Portugal on **May 3rd 2007**– the day Madeleine McCann vanished.

The Podesta brothers were staying with a friend named "Clem." Clement Freud, the grandson of psychopathology sex expert Dr. Sigmund Freud, who was known to be a pedophile. This is a quote from our insider: **"Of greater interest is that fact that Freud owned a villa in Praia da Luz."**

It was then revealed that Clement Freud's villa in which the Podesta Brothers were staying, was in fact only a third of a mile from the exact location from which Madeleine was taken:

*... A former British ambassador has now revealed he has been approached by several people making further claims of sexual abuse by Clement Freud, amid fears the MP could have sexually abused dozens more children, according to The Independent. <http://www.thelastamericanvagabond.com/top-news/podesta-brothers-revealed/>*

Note it has been reported by these same sources that the forensic drawings above were withheld when McCain was first reported missing. Is this 'Fake News'? How could it be when the evidence is overwhelming... if one can stomach it. Yet, it has become evident that 'we the people' would much rather read a press release which 'gangs up' on a populist president for not acting presidential than to follow the evidence leading to the 'inconceivable'.

## ***Fake News #3 ... Planet X***

Okay let's leave the occult (I personally can't take anymore) for the theory of earth's 'upcoming' collision with a rogue planet. And no I'm not wearing a tin foil hat, more Fake News Let's explore.

*... Research scientist David Meade claims that an entire different solar system is on a collision course with our own and that Planet X, which the conspiracy theorist believes is actually a star, and its gravitational pull will cause widespread destruction here on Earth that will ultimately lead to the end of humanity.*

*Mr Meade, an author who wrote the book 'Planet X – The 2017 Arrival', believes that the devastating Planet X will bring with it “seven orbiting bodies”, including Nibiru, a large, blue planet.*

*The conspiracy theorist believes that the star system is difficult to spot because of the angle that it is approaching Earth. “As it intertwines and approaches it, will come from our south and loop all the way to the extreme north, then come back south again as it exits our orbital path.”*

*He adds that the evidence is “overwhelming ... <http://www.express.co.uk/news/weird/748762/Planet-X-end-of-the-world-2017-apocalypse-nibiru>*

**Real Evidence of 10<sup>th</sup> Planet:** But really aren't these guys just kooks? I mean when I first read this I figured a bunch of guys hiding in their closets with tin foil hats and ray guns. Really? So I asked myself, where is the hard evidence? The above photo was purportedly taken near the south pole, but has been denied as authentic by most authorities. It seems that if this were impending by October we should be able to see it by now:

*Caltech researchers have found evidence of a giant planet tracing a bizarre, highly elongated orbit in the distant solar system. The object, which the researchers have nicknamed Planet Nine, has a mass about 10 times that of Earth and orbits about 20 times farther from the Sun on average than does Neptune (which orbits the Sun at an average distance of 2.8 billion miles). In fact, it would take this new planet between 10,000 and 20,000 years to make just one full orbit around the Sun.*

*The researchers, Konstantin Batygin and Mike Brown, discovered the planet's existence through mathematical modeling and computer simulations but have not yet observed the object directly.*

*"This would be a real ninth planet," says Brown, the Richard and Barbara Rosenberg Professor of Planetary Astronomy. "There have only been two true planets discovered since ancient times, and this would be a third. It's a pretty substantial chunk of our solar system that's still out there to be found, which is pretty exciting."*

*Brown notes that the putative ninth planet – at 5,000 times the mass of Pluto – is sufficiently large that there should be no debate about whether it is a true planet. Unlike the class of smaller objects now known as dwarf planets, Planet Nine gravitationally dominates its neighborhood of the solar system. In fact, it dominates a region larger than any of the other known planets – a fact that Brown says makes it “the most planet-y of the planets in the whole solar system.” ... <http://www.astronomy.com/news/2016/01/researchers-see-signs-of-a-real-planet-x>*

### **Religious Overtones... Apocalyptic Punishment**

Seth Rich, Uranium/Russia, Pedo/Pizza gate, and now Planet X. I ask myself, have I lost my freakin' mind? Has this disease finally metastasized to my brain (for the record it has not only in my lymphatics and possibly femur)?

I mean, I have taken you on quite a journey. Yet if the above is true, and there is plenty of evidence that it is, ***this could be Godly chastisement for America abandoning its Judeo-Christian Roots and quest for TRUTH.*** (Did I just exchange my aluminum foil hat for a cross?)

There is credible evidence our leaders are partaking in illegal and immoral activities i.e. pedophilia and satanic child sacrifice. If that is so, and America remains unrepentant, as it has in abortion, is it not likely the Lord God would allow the destruction of America, as he did with a sinful world in the past i.e. Noah's Great Flood and the Sodom and Gomorrah?

Note this is the Navy's map should Planet X come near:

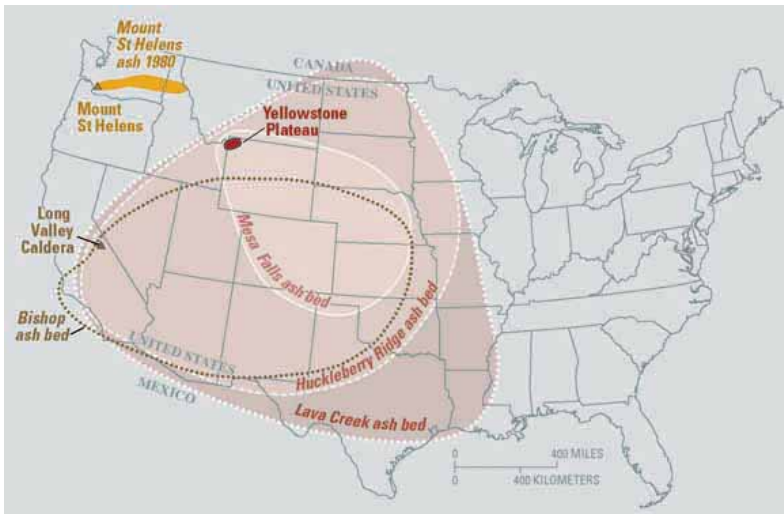

***Planet X fulfills all criterion of 'Wormwood'***

Revelations Chapters 8-10 speaks of an object striking earth and causing calamity heretofore unseen since Noah's Flood. It is preceded and accompanied by Rapture Events and ushers in

the 'End Times' culminating in the Battle of Armageddon (see "Dying" WDB).

### ***America Eliminated***

Moreover, ever since 1776 Americans have queried: Where is the United States in the Book of Revelations? If the above is true and the increase in gravitational pull of the oncoming planets (red star and its moons; rogue planet, planet X), the ensuing tidal waves would all but eliminate the coastal population of the United States. Moreover, if the Super Volcano beneath Yellowstone (see below) is activated the remaining land would be devastating nearly eliminating human life in America. America would simply cease being.

### ***Rapture***

But Christians fear not, because if the above 'Fake News' turns out to be true, it will usher in the Rapture (Raptures see "Dying" by WDB).

### ***Tribulation Period***

The pretribulationrapture will usher in the Tribulation Period for the rest of the world. The Anti-Christ will emerge and within seven years the Battle of Armageddon will ensue putting an end to this era.

The decision is yours, is this Fake News or Truth, and if TRUTH, ask yourself, *can you handle the truth?*

Dr B

PS If the evidence about Planet X is true, ***can America be saved?*** Only if we repent and force action against the evil which has over taken America.

English Standard Version 2nd Chronicles 7:4

“if my people who are called by my name humble themselves, and pray and seek my face and turn from their wicked ways, then I will hear from heaven and will forgive their sin and heal their land.”
