Lake Cahuilla Recreation Area is a stunning 710-acre park situated at the base of the Santa Rosa Mountains. It is located 6 miles South East of Old Town La Quinta and offers a delightful experience in the Coachella Valley. Lake Cahuilla is set in the midst of expansive lawns and picturesque mountaintops making it a spectacular destination.

Lake Cahuilla is the ideal nature getaway with 91 individual and group campsites near the gorgeous Santa Rosa Mountains. It is an easy destination for anyone looking to quickly escape the city life and become immersed in unparalleled views and all the outdoor activities available. Fun-filled fishing in the 135 acre lake, hiking and horseback trails nearby, and a cooling swimming pool are just a few of the great adventures campers can experience. Open grass areas with picnic tables and barbeques are splendid for special events from company gatherings to birthday parties.

Enjoying a special day or vacation at beautiful Lake Cahuilla is the perfect way to break away from the hectic schedule of everyday life.

Reminder: When booking a shade shelter reservation, be aware we do not provide electricity hookups. Also please be aware of the Desert Heat, outside temperatures do get high. Lake Cahuilla no longer accepts any type of watercraft on the lake.

Park guides and more information are available at Riverside County Park District Headquarters or at Lake Cahuilla Recreation Area.
