Lawyer for Unabomber and Timothy McVeigh to Represent Arizona Gunman Jared Loughner

Jan 11th, 2011 | By **Hayden** | Category: **Alphabet Agencies & Operations**

It was announced with little notice that none other than attorney Judy Clarke would be defending Loughner. Judy Clarke has made a career handling suspects at the center of high-profile globalist gambits, including the Unabomber Ted Kaczynski, Olympic bomber Eric Rudolph, Oklahoma City Bomber Timothy McVeigh, and 9/11's Zacarias Moussaoui. To say Clarke has an impressive collection of mentally deranged patsies would be an understatement. One must wonder whether Judy Clarke's skill set is really that impressive and unique in defending a particular brand of lunatic, coincidentally involved in "anti-government" violence or whether her involvement and reliability indicates a certain level of control and quarantine needed for a cover-up.
