Thank you for your post, Mr Herman. I heard that El Sayed is a full vax mandate tool, whic

How else can one interpret the actions of the Jewish elite who contribute so heavily
and Israel and other specifically Jewish causes?

three Jewish billionaires spent whatever they had to spend to remove Thomas Massi
office. For one singular reason; he wasn't sufficiently subservient and deferential en
funding Israel. That is it.

Does that not demonstrate their loyalty to being Jewish above all, including being an
citizen?

What I find utterly fascinating is how a Naomi Wolf, who proved herself just plain stu
point, finds success and doesn't realize the part her being jewish played in that succ
she deserved it, pay no attention to being pulled up for specifically being Jewish in a
world ruled by only Jews.

Look at comedy in Hollywood. Either you are Judd Apatow, or Adam Sandler, or you
chance. No opportunity. None. All comedy in Hollywood has to pass through the fort
something Jew. Why, and how? They are only 2% of the population.
