buddhi, I posted a video on my Substack page which shows what Netanyahu said. This statement should at minimum, wake America up and the world. It's beyond this evil-Genocide-committing parasite states in part:

"America is the Golden Calf and we will suck it dry, chop it up and sell it off piece until there's nothing left but the world's biggest welfare state that we will create control!"

This is only part of what Netanyahu said. You can and I hope you will, read it in full please share it buddhi.

It's taken me better than 50 years to realize how duped how "played" and manipulated America has been and how evil-these people truly are! (Always blaming someone else)

Thank you buddhi for saying what must be said over and over and over again until everyone realizes that Israel, is NOT OUR FRIEND! I appreciate your insight.

Israel doesn't seem to be anyone's friend. Netanyahu controls this country through the control of Trump. His billionaire philanthropists got Trump elected and his M likely has compromised Trump in other ways via Epstein. Netanyahu and his M have more votes in Congress than Trump does. Any attack on Iran will be a disaster for this country and the world and Netanyahu is behind it. If you speak the truth, his mainstream media say you're anti-Semitic.

You're absolutely correct!

Like I said in part quoting Netanyahu, what he said in 1990 should be taken seriously!! It is coming to fruition and they literally hate America as he :

The evilness of these people is beyond sickening!

The simple fact that Jewish people do not renounce their faith tells me how they feel the same way he does.

If I was Jewish I would renounce my faith!!!

But nobody in this country or around the world stands up to these morose people, nobody!

After listening to the video and reading the statement Netanyahu made, I cannot get it out of my mind how deliberate these people are. Something that should give, there's no way anyone else, could get away with saying what that demon said, regardless of how long ago it was!

Thanks buddhi..many people are on the same page as we are but nobody stands up to a damn thing until reality as in Palestine-Genocide starts here in America.

I don't want to fan the fire but I did a simple calculation and 36 Palestinian have been killed - 18,000 children - for every Israeli death. Why do we fund and support Israel and why are the Arabian countries mostly Muslim? Is this not similar to the mass formation during the covid years?

♡ LIKE (1) 💬 REPLY (1)

AJR AJR Feb 25

Why does America fund Israel? I've been asking this question for a long time now.

One of two things I believe is why.. The threat of Netanyahu to the world (which I have said repeatedly, call his bluff!) simply because we will all suffer regardless if we do nothing. And secondly is because there's so much aligned-influence that most leaders look the

as if to say "oh well at least it's not me!"

Nobody and I mean nobody has a pair of balls anymore!!! They have softened to the point that GENOCIDE is being normalized as is rape and death by Govt mRNA-Injection!!

The second reason, I believe is more closely tied to "why" than the first...I believe leaders are convinced that the mRNA-Bioweapon will continue to make people compliant and soft, without any reason to fight-back against gov't tyranny which means they will take over us and we won't do a damn thing about it...which is what is happening since the past three years I have watched drivers become "defensive!" Not defensive-aggressive. Which is how driving has become. I have noticed how many drivers have become "conditioned!"

When a society of people becomes non-combatant, Gov't shits on them. This is what I have noticed with drivers over the past three years..It's not a one-up type of thing, it's the majority of drivers who are.

Basically the people have lost their "fight" and don't want to fight with their feathers.

Good God it's so demoralizing to me how cowardice people have become!

Everything is "Oh well nothing you can do!"

Which makes me livid!! There is something you can do and it is not being

"Non-Compliant!"

I over-stayed my welcome buddhi and thank you for letting me honestly believe the world has become

"Evil-Bullies vs Compliant-Cowards!"

Time will tell.

I take Netanyahu (and so should everyone) at his word for what he is doing and what he said he will do to America.

Why some humans are dominated by evil and others are not?. How Quantum Physics a suggestion. Albert Einstein called Quantum Entanglement spooky, a phenomenon where 2 particles stay connected matter how apart- change one and the other react INSTANTLY and INSTANTLY not limited by the speed of light as particles are. Long concluded that photons are consciousness, try to do something to it will read your intention, it read your thoughts. You can't trick it, it INSTANTLY read your intentions Photons are the creator of life anywhere in the Universe on suitable planets. Dr Daniel Nagase who is into physics when I told him he agreed with me. Given time and the right plane and other events will change stone into life as they did on this planet. The Universe is consciousness. This consciousness caused you and all beings including plants. So why are those human apes in constant conflict with each other, why there are evil doctors who do not care your child from their injections. How about Epstein the evil penetrated in all of humanity and yet there are those doctors who rather lose their lives to do evil, just as others are horrified about what evil was done under Epstein. What if consciousness is made up of evil and good? Is this why humans never agree, killing each other and so much more. Einstein was deeply troubled by Quantum Entanglement, said "God does not play dice with the Universe". Yes God does, beyond anyone's image.

Netanyahu is not convicted—he is an indicted fugitive under an ICC warrant for war crimes and crimes against humanity.

The “no-conviction” talking point used by officials conceals that conviction is impossible without custody, while the evidentiary corpus is already sufficient for full trial referral.

Israel shields him; Western powers paralyze enforcement. Evil profits from its own.

The ICC ordered him to be arrested, unless you're saying that an arrested person must be guilty of crimes then your point is pointless.

An elderly Palestinian friend of mine has frightening memories dating back to the expulsion of Palestinians in 1948 and how a Christian church hid her and her mother behind a door with a piece of furniture in front of it. Palestinians were forced to leave their homes, their olive orchards, their land at gunpoint. So you think they should sit back and allow the invaders did the same to North American Native Americans?

As a Shaliach for HaShem, which entails a representative of Israel, this is the kind of research that will destroy the wicked featured in the Lord's bible. Every generation has them testing His people, and every generation it seems more ridiculous than the last, as they thrive for what feels like freedom, but then topple. Psalm 37 shows you their fate. When you actually live it, you think God misses nothing, He sees all and watches for Judgement including righteous rewards. "I WILL NOT BE MOCKED BY OUR LORD FROM THE CLOUDS."

The Lord's justice is perfect and outlined in Psalms 19:7-11. It is almost comical if it were not for the fact that literal worm-like feminine fairy men like Fauci, Gates, and outward homosexuals like Noah Herari and flamer Peter Thiel are like TOP wicked enemies, as the Lord clearly issues penalties to the entire LGBTQ community for defying Him point blank. SEE Leviticus 18:22, Romans 1:26-29. The evil wicked use sensitivity towards this gay group that deserve no compassion and the death penalty they earn and leverage. It's not a conservative or moral issue, they burn brightly for going against God's people and infiltrating His education, trying to keep Him from the schools. When they try infant scheduled killing, it is no different than Moses' times for other historical Jewish cases, yet this is more globally pervasive. 2 generations ago was the Holocaust, now the numbers are much higher. The end is here, not near.
