You can register to speak in person until 5 pm Thursday June 5 or sign up at the hearing, if there is time. If you wanted to testify virtually, that opportunity required a sign up by 5 pm today ET. Sorry.

You can send written testimony. You can call or write MA legislators regarding the bills. **Online Testimony** will be accepted until **Monday, June 09 at 5:00 PM**. [To submit testimony online you need to first create an account for MyLegislature and follow these **instructions**. If you already have an account **click here**.]

It seems that efforts President Trump has made regarding Freedom of Religion, a Constitutional right (thus trumping state law) could be invoked. See his **May 1 Executive Order**:

(iii) The Commission shall produce a comprehensive report on the foundations of religious liberty in America, the impact of religious liberty on American society, current threats to domestic religious liberty, strategies to preserve and enhance religious liberty protections for future generations, and programs to increase awareness of and celebrate America's peaceful religious pluralism. Specific topics to be considered by the Commission under these categories shall include the following areas: the First Amendment rights of pastors, religious leaders, houses of worship, faith-based institutions, and religious speakers; attacks across America on houses of worship of many religions; debanking of religious entities; the First Amendment rights of teachers, students, military chaplains, service members, employers, and employees; conscience protections in the health care field and concerning vaccine mandates; parents' authority to direct the care, upbringing, and education of their children, including the right to choose a religious education; permitting time for voluntary prayer and religious instruction at public schools; Government displays with religious imagery; and the right of all Americans to freely exercise their faith without fear or Government censorship or retaliation.
