### The MuShield Co. - Londonderry, NH

Distributor, Manufacturer, Custom Manufacturer

ISO 9001:2008 certified manufacturer of custom magnetic shielding components & enclosures. Sources of interference in magnetic shielding include permanent magnets, transformers, motors, solenoids, cables & Earth's magnetic field. Shield absorbs & diverts magnetic flux. Equipped for production runs.

### Magnetic Shield Corporation - Bensenville, IL

Distributor, Manufacturer, Custom Manufacturer, Service Company

ISO 9001:2000 certified manufacturer of electromagnetic field protection devices & electromagnetic interference shielding including magnetic shields & magnetic shielding material for EMI/RFI shielding. Products include foils, shields, laboratory instruments & magnetically shielded rooms. Products can be customised to specifications. Services include engineering assistance. Applications include CRT monitor shields, room and wall shields, NASA satellites, heart monitors, US Navy submarines, computer hardware, check readers, & lasers. Industries served include aviation & aerospace, oil exploration, medical equipment, physics research, navigation, computers, telecommunication, automotive, & military.

### Ad-Vance Magnetics, Inc. - Rochester, IN

Manufacturer, Custom Manufacturer

Design & fabrication of AD-MU shields for custom specified configuration or shielding requirement from the simple components to complex systems incorporating custom shielding performance requirements. Products include magnetic isolation chambers, shields for low field research, magnetic shielding components required in systems (such as CRT's), transformers, motors, tachometers, reed relays & computers, dewars for cryogenic research, various test chambers, video cameras, scan converter tubes, photomultiplier tubes, storage tubes & aircraft weather radar display tubes. AD-MU alloys do not saturate when properly used, will not suffer excessive permeability loss from shock & display minimum retentivity.

Brand Names: Ad-Mu

### Device Technologies, Inc. - Southborough, MA

Manufacturer, Custom Manufacturer, Service Company

ISO 9001:2008 & AS 9100-B certified manufacturer of standard & custom electromagnetic interference shielding. Products include fabric over foam gaskets, conductive foam cushion gaskets, single & double side conductive tapes, thermal interface materials, air vent filters, RF absorber material & stamped finger gaskets. RF absorbers are designed for suppression of electromagnetic waves, high frequency radiated noise, conduction noise & electrical surge in electronic devices. Available in frequency from 10 MHz to 18 GHz.

### Can-Do National Tape, Inc. - Nashville, TN

Distributor, Manufacturer, Custom Manufacturer, Service Company

Pressure sensitive tapes & adhesive products for every application; commodity & specialty tapes & custom die-cut/convert capabilities.

Tape products include: packaging, paper, vinyl, polyethylene, double coated, cloth, foil, film, protective, strapping, foam & PTFE tapes.

Converting services include: sheeting, die cut, rewind/slitting & laminating.

### Techprint, Inc. - Lawrence, MA

Distributor, Manufacturer, Custom Manufacturer, Service Company

ISO 9001:2008 certified custom manufacturer of electrical & electronic shielding including EMI/RFI shielding, thermal shielding, magnetic shielding, radiation shielding & RF shielding. Capabilities include CAD/CAM, plastic injection & compression single shot/double shot molding, engineering, product development, remodeling, prototyping, short & long production runs, re-engineering, converting, printing, standard/rotary die cutting, laser cutting, soldering, slitting, sheeting, laminating, embossing, CNC routing, IDC cabling/flat flexible cabling &

contract mechanical/electromechanical assembly. JCP DD 2345 approved.

### MBK Tape Solutions - Chatsworth, CA

Distributor, Manufacturer, Custom Manufacturer

Mfr & distributor of standard & custom EMI/RFI & magnetic shielding. Available as aluminum & copper electric tapes. Aluminum shielding tapes are available in plain or with conductive & non-conductive adhesive & different thickness & textures. Other products include adhesive transfer tapes, double coated tapes, DC tapes, reclosable fasteners, packaging tapes, duct tapes, foil tapes, hook & loop tapes, paper tapes, single coated tapes & cloth tapes. JIT delivery available. ISO 9001:2008 certified.

### ACS Industries, Inc. - Lincoln, RI

Manufacturer, Custom Manufacturer

ISO/TS 16949:2002 certified manufacturer of knitted wire mesh EMI/RFI shielding. Products offered include shielding tape, round gaskets, rectangular gaskets, tadpole gaskets, dumbbell gaskets & compressed mesh gaskets made from copper, steel, nickel & other alloys. In-house machine shop provides fast tooling & prototype turnarounds. Also available are filters, flame arrestors, mufflers, insulation products, catalyst substrates & more. Worldwide engineering & customer support services available.

### **United Seal & Rubber Co., Inc. - Atlanta, GA**

Distributor, Manufacturer, Custom Manufacturer

ISO 9001:2000 certified manufacturer & distributor of standard & custom EMI/RFI, electrostatic & magnetic shielding. Types of shielding include EMI shielding glass & plastic windows. EMI shielding is available in knitted or woven wire mesh, laminated between the glass or plastic substrates or by deposited conductive coatings. Shielding substrate materials include acrylic, polycarbonate, polyester & glass. Industries served include aerospace, defense contractors, electronics, hydraulic & pneumatic, medical, military installations, motor vehicle, recreational vehicles, OEMs & telecommunications. JIT delivery & Kanban inventory services available.
